Welcome

Kreisverband
 Fulda e.V.

AWO Kreisverband Fulda

mainly works in the field of consultation and assistance. We aim at the improvement of the life situation of deprived people with a whole host of measures.

Our goal is to offer straightforward help. There are various projects and services on offer to all people, regardless of age, origin or religion.

The integration of citizens with an immigration background is important to us.

We would like to improve the skills of families, children and youths, provide guidance and information as well as language courses to increase education opportunities.
